EASTVALE FARMS

DAHLIAS

We have had a very successful season, more than doubling sales over 1932. We have also had an extra long and good growing season, producing a great many roots of excellent quality. For these reasons we are in a position to give bigger and better value than ever before.

All roots are guaranteed to be strong and healthy, and are field grown, to have at least one live eye, and to be true to name, and to leave our storehouse in perfect growing condition. However we cannot be responsible for conditions beyond our control, nor in any case for an amount greater than the original purchase price.

Orders of \$2.50 or over *received before Feb. 10th* will be shipped free of charge, and on orders of \$2.50 or over, *received before Jan. 10th*, we will allow a 5% cash discount in addition.

We sell six of one variety at the dozen rate. On orders of 50 or more roots of one variety, or for orders of \$10.00 or over write for special prices on varieties desired.

Orders are booked as received and if stock should be exhausted, money will be returned at once.

Shipping starts April 10th, unless otherwise requested. We have excellent facilities for keeping and storing roots, and should any not keep over winter it is our loss. The larger orders are shipped express, and the others parcel post, or express, as we think best.

Cash must accompany each order unless satisfactory credit is established. Money orders are preferred.

For full descriptions, send for retail catalog. Our 1934 retail list will be ready about Feb. 1st.

N. B.—To those who purchased from us last season: In moving the roots that we purchased last season, we found a few mix-ups. There were a few Wm. H. Hogans, and M. W. Wilson scattered here and there, and our Bobby turned out to be Keystone. If any of you received any of these mixed, write to us if you wish an adjustment. Thank you for past patronage. Manager.
